Career Opportunity

Position Title: Psychosocial Counselor

Vacancy: 01

Project Title: ASHSHASH (For Men and Women Who Have Escaped Trafficking in Bangladesh)

Project Background:

Ashshash: For Men and Women Who Have Escaped Trafficking (Phase-II), is funded by the Embassy of Switzerland in Bangladesh and implemented by. The project will support human trafficking survivors with sustainable social and economic reintegration into their respective communities and provide support-services that will ensure their wellbeing and self-sufficiency. The survivors will be provided psychosocial counseling support along with other social services and facilitated opportunities for skills-devolvement and entrepreneurship training. Through which, the economic empowerment of the survivors will also be ensured in the forms of wage-based and self-employment, and other income generational opportunities. The main objective of the project is to ensure that “women and men who have escaped trafficking will restore their dignity and wellbeing and become self-sufficient”. Furthermore, Ashshash will reach people in the project’s working areas; either directly or indirectly, through awareness-raising activities on factors that make people vulnerable to human trafficking, and to ensure the prevention of human trafficking.

The four-year-long second phase of Ashshash project will provide comprehensive and personalized packages of service-provision to the survivors of human trafficking in Bangladesh which includes a robust psychosocial counselling. The project will be implemented in ten of the most trafficking-prone areas across the country.

Position Summary:

Psychosocial Counselors will lead and provide the necessary psychosocial counseling services to human trafficking survivors identified by the Sustainable Reintegration Partners SDS. These counseling services will be provided based on the need of survivors following Ashshash’s process. And, these services will prepare the survivors for social and economic reintegration. The counselors must also demonstrate the necessary skillset and knowledge to provide tele-counseling support to the survivors, based on their contextual needs. As psychosocial counseling support will be an ongoing process until a survivor is completed the reintegration process. And the counselors must show openness and sensitivity when conducting sessions with the survivors. The counselors will be responsible for maintaining the confidentiality of information for each survivor. Trauma-informed and gender-sensitive approaches are a mandatory part of the counselor’s expected skillset. The counselors will also be responsible for providing counseling services to the survivors ‘families to create an enabling and sensitive environment at home. Counsellors also be responsible to conduct community session following counselling skills to demonstrate sensitivity and understanding toward the trafficking contexts of the survivors, and on the role of the community in the reintegration journey of a survivor. Counselors must also strictly follow Winrock International’s ‘Do No Harm’ policy when communicating with and counseling with the survivors.

Job Responsibilities:

- Lead and manage the overall provision of psychosocial counseling services to human trafficking survivors, through Ashshash’s SDS.
- Maintain proper discretion and confidentiality to build trust with the Men and Women Who Have Escaped Trafficking (survivor of human trafficking), their family and peers/community
